21/1/30th 1906.

According to agreement I sent John Scott, and proceeded to making the following survey, according to field notes and per plat. as chainmen I had Saffy the Undertaker & J. J. both duly sworn. we proceeded to locate the center of the old road bed, vacated by the construction of a macadamized road in the south half of section 18. ^{S. 7} N. R. 1 W. measuring from bank on east side of old road bed to bank on the West side of said road bed, and taking the half distance we found the center of said road bed to be 12½ ft. East of cor. H. we planted a round stone in said place (12½ ft. East of cor. H.) to establish the center of old road bed. Thence proceeded to run North to the center half mile line we there did the same thing as at the south end. we measured from bank on East side 30 ft west took the half distance and planted a stone 5 ft. 4 in East of T. to mark center of old road bed.

Cor. E. is in center of said section

" T. is 3 poles West of center.

" J. is 3 ft 4 in East of Cor. T. and is center of old road bed.

G is the South ½ mi post.

H is 3rd. west of G. and is the cor. John Scott's land.

K is 12½ feet East of H. and is the center of the old road bed.

Oliver Bunker
